PRESS RELEASE

The City of Jackson is seeking applicants for the new Jackson Revitalization Committee. This committee was created by the City Council based on a recommendation by the City's Economic Development Committee to organize a group of persons interested in revitalizing the City of Jackson; recruiting and retaining new businesses and industries; sustaining a growing economy; thus enriching the lives and experiences of Jackson property owners, merchants, residents and tourists. The Committee will be responsible for implementing and updating the economic development strategic plan available for review on the City's web site (<http://ci.jackson.ca.us>).

The new Revitalization Committee will consist of two City Councilmembers, two merchants, two property owners, one member of the Historic Jackson Business Association, one Jackson resident and three members at-large. The City Council will appoint the committee upon recommendation of a special nominating committee formed to assist the Council with these selections. The Jackson Revitalization Committee will operate as a public-private non-profit organization.

Individuals interested in serving on this committee are encouraged to complete a City of Jackson Commission/Committee application form and return it to the City Clerk. Applications are available on-line or may be picked up at Jackson City Hall.
