## FALL 2008

### COMPUTER INFORMATION SCIENCE - CORE (CISC)

#### CISC 310 Introduction to Computer Information Science 3 Units

*Prerequisite: None.*

*Advisory: BUSTEC 302*

*General Education: AA/AS Area II(b); AA/AS Area III(b)*

**Course Transferable to UC/CSU**

*Hours: 54 hours LEC*

Description: This course is an introduction to the computer field covering the function and concepts of hardware, computer programming, application and operating software, data communications, the Internet, databases, employment opportunities, and the social impact of the computer. Students will be reading and interpreting written and oral instruction of a technical nature.

#### Schedule: Full Term, Aug 23-Dec 18

M 06:00PM-09:05PM LEC M. Geissler ALC B 26163

*Class 26163 is held at Amador Learning Center located at Independence High School, 525 Independence Dr., Sutter Creek CA 95685, Phone (916) 691-7411.*

### EARLY CHILDHOOD EDUCATION (ECE)

#### ECE 300 Introduction to Early Childhood Education 3 Units

*Prerequisite: None*

**Course Transferable to CSU**

*Hours: 54 hours LEC*

Description: This course will introduce students to the field of early childhood education, including an overview of the history of the field, current curriculum approaches, and programs serving children from infancy through the school-age years. It reviews the current status of education of young children, with a focus on integrated education. Students will learn and apply skills in observing young children, documenting the work of young children, and interpreting these documents in order to plan subsequent curriculum. Opportunities to observe in a variety of early childhood education settings will be included. This class will prepare students with background and skills they need before entry into the student teaching laboratory classes.

#### Schedule: Full Term, Aug 23-Dec 18
